Veliki veliki Božić Big Big Christmas

Sitni, stakleni, blještavi i šareni ukrasi, zvončići, pahuljice i kuglice, samo u vrijeme Adventa i samo na Trgu kralja Petra Svačića šire se u dimenzijama te postaju veliki dekorativni divovi. Predimenzionirane skulpture inače malih božićnih ukrasa ove godine šetnju stazama Svačićeva trga i parka čine nadnaravnim. Tiny, glass, glittering and colorful decorations, bells, snowflakes, and baubles, during Advent and only on King Petar Svačić Square, spread out in dimensions to become huge decorative giants. Oversized sculptures of otherwise small Christmas ornaments this year create a supernatural walk through the paths of Svačić Square and the park.

Flash mob u tramvaju Tram Flash Mob

Pjevanje je zarazno, a glasovna sinkronizacija u zbornom pjevanju potiče osjećaj zajedništva. Dodamo li zbornom pjevanju još šačica božićnih nota i malo začina iznenađenja, stvorit ćemo atmosferu za pamćenje. Ovaj adventski program zamislijen je kao flash mob u kojem jedan pjevač krene pjevati prepoznatljivi adventsku skladbu te se ostali pjevači malo po malo uključuju i skladba se otpjeva do kraja. Singing is contagious and choral singing promotes a sense of togetherness. If we add a handful of Christmas notes and a dash of surprise to choral singing, we'll create an unforgettable atmosphere. Zagreb Advent Run 2023

Omiljena kostimirana utrka za cijelu obitelj. Zagreb Advent Run sa sobom uvijek donosi i veliki humanitarni karakter pa će ovogodišnja utrka biti posvećena Zakladi Unisport Sree koju je osnovao Hrvatski akademski sportski savez sa ciljem poticanja razvoja studenata sportaša u Republici Hrvatskoj. Trkači, rekreativci i svi ljudi željni sjajne zabave i ove godine mogu izabrati između dvije duljine utrke — 5 ili 10 kilometara. A favorite costumed race for the whole family. Zagreb Advent Run always carries a significant charitable aspect with it and this year's race will be dedicated to the Unisport Heart Foundation, established by the Croatian Academic Sports Federation with the aim of promoting the development of student-athletes in the Republic of Croatia. Runners, recreational participants and anyone eager for great fun can choose between two race lengths this year — 5 or 10 kilometers.

„Za bajke nema zime“ – Advent u kazalištu Mala scena “Fairytails are never under the weather” – Advent in Mala Scena theater

U dječjem kazalištu ovaj je advent čarobniji nego ikad, a to možemo zahvaliti novom liku — Popravljau Priča! Svojom magijom uvlači nas u svijet bajki jer mu se ne sviđa tužan kraj Djevojiće sa žigicama niti činjenica da Snjeguljica ostavlja 7 patuljaka iza sebe. Kako je „popravio“ poznate bajke saznajte posjetom Maloj sceni. Kazališni advent upotpunit će i radionice, druženje s Djedom Mrazom u dnevnom boravku te razni popratni sadržaji. At the children's theater, this Advent is more magical than ever, thanks to a new character — the Story Fixer! With his magic, he draws us into the world of fairy tales because he doesn't like the sad ending of The Little Match Girl or the fact that Snow White leaves 7 dwarves behind. To find out how he „fixed“ well-known fairy tales, visit the Small Scene Theater. The theatrical Advent will also be complemented by workshops, meetings with Santa Claus in the living room, and various accompanying activities.

Advent u Etnografskom muzeju – Izložba Slatki sveci Advent in Zagreb Ethnographic Museum – Sweet Saints exhibition

Polazišna točka izložbe „Slatki sveci“ je oblik čokoladnog sv. Nikole koji se prodaje kao slatkiš u doba Adventa. Suvremeno doba i konzumerizam od toga su legendarnog morskog biskupa učinili najpopularnijeg sveca, pa će autrica izložbe rekonstruirati i ostale tradicionalne priče o svecima kroz popartističku reinterpretaciju, odnosno zamisljajući i ostale žitelje kršćanskih nebesa kao čokoladice i kekse. Osim izložbe, posjetitelji mogu uživati i u radionicama te prigodnim koncertima ispunjenim božićnim duhom!

The starting point of the Sweet Saints exhibition is the shape of the chocolate St. Nicholas, which is sold as a sweet during Advent. The modern era and consumerism have turned this legendary Bishop of Myra into the most popular saint, so the exhibition's author will reconstruct other traditional stories about saints through a pop-art reinterpretation. This involves imagining other residents of the Christian heavens as chocolates and cookies. In addition to the exhibition, visitors can also enjoy workshops and special concerts filled with the Christmas spirit!

Advent u Muzeju čokolade Advent in the Chocolate Museum

Kao inovativni i autentičan događaj, ovo je pravo poslastično novo izdanje Adventa Zagreb. Ušerenici odjela kiparstva Škole za primijenjenu umjetnost i dizajn okušať će se u korištenju novog medija — čokolade. Uz budno oko akademskog kipara izradivat će skulpture od blokova najdraže slastice, a konačni rezultat projekta bit će izložba u prostoru Muzeja. As an innovative and authentic event, this is a real treat in the new edition of Advent in Zagreb. Students from the Sculpture Department of the School of Applied Arts and Design will try their hand at using a new medium — chocolate. Under the watchful eye of an academic sculptor, they will create sculptures from blocks of everyone's favorite sweet and the final result of the project will be an exhibition in the museum's space.
